ATA DO PROCESSO ELEITORAL DE REPRESENTANTES DOCENTES NA CONGREGAÇÃO DA FACULDADE DE ARQUITETURA DA UNIVERSIDADE FEDERAL DA BAHIA

A Comissão Eleitoral foi instituída pela Portaria 11/2021 do Gabinete da Diretoria da FAUFBA, composta pelos docentes João Maurício Santana Ramos, matrícula SIAPE 2479073, e Leonardo Prazeres Veloso de Souza, matrícula SIAPE 1038147, e pela técnica administrativa Carina de Carvalho Gonçalves, matrícula SIAPE 3068062, sob a presidência do primeiro. O edital da eleição foi enviado por e-mail ao corpo docente e publicado no site da FAUFBA em 13 de outubro, estabelecendo procedimentos para eleição de representantes docentes para ocupar duas das cinco vagas relacionadas a este corpo na Congregação (das cinco vagas, uma estava desocupada e uma estava com mandato a vencer em novembro do ano corrente). As inscrições de chapas estiveram abertas entre 0h00min de 13 de outubro e 23h59min de 19 de outubro. Como não houve chapas inscritas, foi publicado o segundo edital da eleição, com prorrogação do prazo de inscrição (até 23h59min de 25 de outubro) e mudança nas datas das demais etapas. Inscreveram-se duas chapas (aqui apresentadas em ordem alfabética crescente dos titulares): Daniel Marostegan e Carneiro (titular) e Akemi Tahara (suplente); Maria Paula Dunel (titular) e Bartira Brandão da Cunha (suplente). No dia 26 de outubro, a Comissão Eleitoral publicou a homologação parcial das chapas, estando a segunda chapa homologada e a primeira não-homologada por não ter apresentado cópias dos documentos de identificação. No mesmo dia a primeira chapa apresentou recurso, por e-mail e em conformidade ao determinado no edital, no sentido de reverter a sua não-homologação, apresentando cópias dos documentos de identificação. O recurso foi acatado pela Comissão Eleitoral. No dia 27 de outubro foi publicada a homologação final das chapas, incluindo a primeira chapa como homologada. Neste mesmo dia, a Comissão Eleitoral enviou, ao corpo docente por e-mail, e publicou, no site da FAUFBA, as fichas de inscrições das duas chapas homologadas. A eleição ocorreu no portal Helios Voting, em caráter direto e secreto, entre 0h de 03 de novembro e 17h de 04 de novembro. Às 18h de 04 de novembro, na sala https://meet.google.com/qtm-aqhr-ucv, que esteve acessível a docentes efetivos da FAUFBA, reuniram-se os professores João Maurício Santana Ramos e

Leonardo Prazeres Veloso de Souza e a técnica administrativa Carina de Carvalho Gonçalves para apurar os votos. A apuração dos votos indicou que compareceram à eleição 43 (quarenta e três) dos 98 (noventa e oito) docentes efetivos da FAUFBA, conforme Relatório de Verificação da Eleição anexo. Registra-se que há, no Relatório de Verificação, 99 votantes porque, por erro da comissão, o endereço de e-mail de um docente foi cadastrado de forma equivocada no sistema e foi preciso inserir novo cadastro. A chapa Daniel Marostegan e Carneiro (titular) e Akemi Tahara (suplente) recebeu 35 (trinta e cinco) votos. A chapa Maria Paula Dunel (titular) e Bartira Brandão da Cunha (suplente) recebeu 28 (vinte e oito) votos. Não houve votos brancos ou nulos. A Comissão Eleitoral considera eleitas as duas chapas. Nada havendo mais a tratar, foi lavrada a presente ata, que será assinada pela Comissão eleitoral, para ser apreciada pela Congregação da FAUFBA.

 Salvador, 04 de novembro de 2021.

João Maurício Santana Ramos

Carina de Carvalho Gonçalves

Leonardo Prazeres Veloso de Souza
